NUMBER TWENTY-ONE

We pledge Allegiance to the Flag of the United States, and to the Republic for which it stands, ONE NATION, indivisible with LIBERTY and JUSTICE for ALL.

Americans All

Second Son Joins Service Of Uncle Sam

Word has been received by Dr. and Mrs. D. Day that their son, Ben H. Day, has signed up for Navy duty and is now training at Great Lakes. Another son, Dorsey (Jr.) is in the Army and is stationed at Iran. He has been overseas about sixteen months.

Bill Young Shot Down In Germany

Was Pilot Of Flying Fortress

The War Department officially announced this week that Lt. Bill Young of Morehead and Frankfort has been forced down in his plane over Germany or occupied Europe. Notice of the force-down of Lt. Young's plane came less than six weeks after the War Department had issued a citation of unusual bravery on the part of Lt. Young who brought his plane in after it was shot up and the crew killed or injured. Lt. Young was injured in that action. His relatives did not know that he was in condition to resume flying, but official War Department notices at that time stated that he had requested a new plane as soon as possible.

Lt. Young was the pilot of a flying fortress.

The son of Bill Young, who before his death was one of Rowan County's leading citizens and an outstanding Kentucky jurist, and Nellie Young, daughter of Mr. and Mrs. A. L. Miller, he had seen almost continuous service since going to England. He is married and has one son.

The notice from the War Department did not indicate whether his plane had crashed or if any members of the crew had bailed out.

Cpl. Patrick Has 21 Day Furlough

Capt. Forrest Patrick and Mrs. Patrick arrived from California Tuesday for a twenty-one day furlough. They will visit his brother, Oscar Patrick and family, and parents, Mr. and Mrs. E. B. Stue and family. Corp. Patrick is attached to the hospital corps.

Cor. Jayne And Wife Home On Furlough

Corp. Luther Jayne and Mrs. Jayne arrived home Sunday for a ten days' furlough with relatives here. Luther is attached to the Motor School at Columbus, Ga., as assistant instructor.

Chief Glen Vencil, back in the States after year overseas in South Pacific. He has been in service six years. Vencil's parents, Mr. and Mrs. Roy Vencil from Boone. He was home year ago last January.

Mrs. Ernest Dietze, of Savannah, Ga., will arrive Friday for an extended visit with her son, Rev. Charles Dietze and wife.

N. E. Kennard Resigns Place As City Mayor

S. M. Caudill Named To Fill His Place

In a surprise move Morehead's Mayor N. E. Kennard resigned at the last meeting of the Council. Sam M. Caudill, a member of the Council, was appointed to serve until the next meeting of the Council, scheduled for June 13.

Mr. Kennard had a year and half more to serve on his four year term. He had headed the City's legal family for two and one-half years.

During Mayor Kennard's term the city's affairs, operated by him and a cooperative council, were maintained on a sound financial basis and a high level of performance. The cash reserve of the city has been steadily increased during this time, the city operating under a sound "pay as you go" policy.

Mayor Kennard had not indicated his intention to resign prior to the meeting. He did say that his health was such that the Mayor's place was too heavy a burden to continue at this time.

The new acting Mayor, a pioneer citizen, has served numerous terms on the Council. Mr. Caudill has been a member of the Council during Mr. Kennard's tenure, and has always taken an active interest in city government and community affairs.

Commission Will Hear Tax Protests Tomorrow Morning

The State Tax Commission will entertain any protests against the increase in Rowan County taxes at its meeting in Frankfort tomorrow (Friday).

The 30 per cent increase in assessments in this county was ordered last week. The raise is in keeping with a general policy now being pursued by the commission all over the state. The assessment raises have drawn considerable criticism and protests from delegations in other counties appearing before the commission.

It is not known whether any group from this county will appear in protest.

USO Entertains Three-Fourths Of Service Men

Survey Shows Real Job Being Done

Three of every four enlisted men in the Army under training in the United States turn to USO for social recreation in their off-duty hours, it is indicated in a survey received today by Dr. Falls, local USO chairman, from Chester I. Barnard, president of USO.

The survey, made jointly by the War Department, the national Opinion Research Center and USO, further shows that 81 per cent of the servicemen using USO service consider the network of 1,873 USO club-houses within continental United States essential to their Army off-duty hours.

The information, assembled under the title "Soldier Opinion About USO Clubs," was gathered through both questionnaires and interviews administered in geographically indicative USO clubs by the NORC, and in thirty Army camps by the Research Branch of the Morale Services Division of the War Department. The survey covered both white and negro troops, and, in each group, the finding is that the troops turn to USO to maintain contacts with civilian life, and to follow a variety of other interests.

I Am An American Day, Poppy Day, Memorial Day All To Be Observed In Next Week

Three holidays, carrying with them more significance than ever before, come this week.

Today is "I Am An American Day" in Morehead. In keeping with an annual custom established several years ago Morehead State College will hold special exercises "in the chapel this morning."

State Senator R. M. Bagby, donor of the Morehead Bagby scholarship and one of the institution's foremost supporters, has been scheduled to deliver the principal address at the "I Am An American Day" exercises. President William H. Vaughn stated today that he is important legislation coming before the state legislature at Frankfort today it might be important for Senator Bagby to appear on the program.

However, Commander Walker of the Morehead Naval School will speak. The American Legion and other co-operating organizations will try to make this year's Poppy Day a banner one for Morehead and Rowan County.

These poppies are made by veterans of other wars and the profits from the sale of the poppies goes toward their benefit and entertainment.

Next Tuesday is Memorial Day, more significant than possibly ever before. Most Morehead business houses will be closed for the day. Memorial Day this year finds American men and women battling all over the world. All over the nation silent tribute will be paid the men in the services.

Tuesday Sales At Morehead Stock Market

Tuesday's sales at the Morehead stockyards:

HOGS—Packers, \$2.50; mediums \$11.40; shoats, \$12.50 to \$13.80.

CATTLE—Stock, steers, \$31.50 to \$47.50; stock heifers \$23.50 to \$45.25; weigh cows, \$6.80 to \$10.20.

CALVES—Top veals, \$14.20 to \$16.50; common and large \$10.50 to \$14.10.

Visiting Parents For Five Days

Mr. and Mrs. Austin Alfrey and son, Jean Austin, of Crestline, Ohio, arrived Wednesday for a visit with their parents, Mr. and Mrs. Vernon Alfrey and Mr. and Mrs. B. F. Fenn. Mr. Alfrey suffered an injury to his back when he fell from a moving train about three months ago. He has been working with the railroad company for several years.

Seniors Of Morehead High Have Party

Miss Marjorie Stewart entertained the members of Morehead High Senior class and their sponsor, Miss Grace Croswait, at a party at her home last Wednesday. They made ice cream and served ice cream and cake. They spent the evening playing games.

Will Spend Ten Days' Leave In Chicago

Lt. Emil Callendo, wife and son, Skipper, and his mother, Mrs. Leo Callendo and Lt. and Mrs. Don Hosache will go to Chicago Friday for a week's leave.

The Eagle District committee met Sunday to discuss plans for the remainder of the year. The group afterward rode out to the Eagle District camp to make plans for the coming camping season.

This Thursday night (May 25) the big rally for the Eagle District will be held. Troop 72 and Troop 76 will compete in several contests. Here are some of them: knot tying, human chariot race, and signaling race. The activities will be held at the last board of review will be awarded and there will be at award for the troop having the most parents present. The club will have their pack meeting Thursday evening. This meeting will be held early so that the clubs may attend the scout rally that night.

Mr. Cooper has requested that all scouting to spend a week at Camp Offutt this year from his troop will register at once and bring their fee (\$1.00) to meeting next Friday night.

Troop 76 is now meeting at 7:00 p. m. each Thursday at the Science building.

Red Cross To Meet Monday In Science Building

Board Members To Be Elected Then

A meeting of the Rowan County Chapter of American Red Cross will be held in Room 106, Science Building, at 7:30 p. m. Monday evening, May 29, for the purpose of electing board members to direct the work of the chapter during the coming year. It has been several years since such an election has been held. A nominating committee has been appointed to nominate names for serving on the board and these will be elected by the membership of the chapter. Every one in Rowan County who donated to the 1944 War Drive and is the holder of a membership card will be eligible to cast a vote.

The War has brought about a greatly expanded program over what has been previously carried on. It is desired to elect board members throughout the county in order that the people of their districts can better become acquainted with the work and how it functions.

Mr. Cecil, a National Red Cross Chapter Field Director, will address the meeting on the work in the various camps, hospitals, and other places where Red Cross is on duty. Mr. Cecil is a very interesting speaker and has served National Red Cross since 1917. He is well informed on the way Red Cross functions throughout the world. Everyone is invited to the meeting, not only those holding membership cards, but also those who are interested in the work. The Board is appointed by the Board and is not elected.

Holbrook Named Missionary Proxy

The Christian Crusaders are planning a large Sale for this coming Saturday, May 27. The doors will open at 8:00 o'clock sharp. Come early and get your choice of the large collection of articles of clothing, shoes, hats, purses, etc. This Sale will be different from any other Runaway Sale the County has ever seen, because nothing will be sold above a quarter. No matter how low is the quality, the articles will sell for 25 cents. There are hundreds of articles that will sell for 5, 10, 15 and 20 cents. This sale will be so cheap that no one can afford to miss it. We are able to do this because of the very fine attitude people have had in giving so many articles of clothing. This will be such an unusual sale and so cheap are the articles that you will not want to miss it. REMEMBER, come to town this Saturday, make your way to the Court House and see for yourself what is there for you to buy. Be friendly and bring your neighbor along with you.

Called To Conduct Funeral Of Friend

Rev. C. L. Cooper was called to Newcastle Sunday to conduct the funeral of Mrs. Will Knight. Services were held at 4:30 o'clock at the Methodist church. Mrs. Cooper and little niece, Barbara Jean, accompanied him. They returned home Monday.

Has Party For 36th Birthday

Mrs. Edward Homiller celebrated her thirty-six birthday with a party at her home on Raine street. Those present besides her family were Mr. and Mrs. Joe Nolan and Mrs. Ola Blair, Clearfield; Mrs. C. Croemer and Mrs. Chris Hutchins of Sandy Hook; Miss Maxine White, Mrs. M. Elias, Mrs. Beth Fraley, Mrs. S. Hamilton and daughter, Dora, all of Morehead. A birthday cake with thirty-six candles was a feature of the party. Ice cream and cake were served. Mrs. Homiller received many nice presents.

Local Clubs To Contribute In Food Supply Plan

The Morehead Board of Trade, Rowan County Farmers' Club, Morehead Women's Club, and the Rowan County Women's Club are contributing to the Food Conservation Program made possible by the War Food Administration under the direction of the Agricultural Extension Service. The Union Grocery Co. is contributing pint jars which will be used in the demonstrations and the clubs are making cash donations which will be used to purchase fruits and vegetables and other supplies essential in demonstrating work. At the end of the canning season the filled jars will be returned to the contributing clubs to be used as they see fit.

Teen-Age Choir Being Organized

A teen-age choir is being organized at the Church of God with Mrs. Taylor Ellington in charge. The choir will be expected to sing in the Sunday School Devotional Services and also various members will specialize in solos, duets, etc. Any young person interested is invited to attend. Other plans are being made in connection with the choir which will probably be a short Bible Study, social hours, and picnics. Interest is very high.

Soldiers Believe They Will Have Jobs Upon Return

USO Questions Men On Problem

A post-war job shift by 27 per cent of the men of the Army based on a representative cross-section visiting USO clubhouses in the United States, is indicated in the post-war planning section of a recently completed survey of soldier opinion made jointly by the War Department, the National Opinion Research Center and USO, according to a report released recently by Dr. J. D. Falls, local chairman, from Chester I. Barnard, president of USO. Nearly one half of the men interviewed said they would return to their former type of work, the report added, and 15 per cent expected to go to college.

In answer to the question "Are you worried or not worried about finding a good job after war?" 72 per cent of all the soldiers said they were "not worried at all" or "not so worried," and only about 24 per cent indicated that they were "somewhat worried" or "very worried." About half of the men indicated that they have been promised their old jobs or expect to have their own business after the war.

Dr. Falls reported that when the sample of enlisted men in USO clubs was asked, "What do you think USO clubs could do now to help with the job problem you might have after the war?" over 75 per cent of those replying made suggestions. These suggestions ranged from requests for classes to prepare men for new jobs to requests for vocational advice. The subjects suggested for the classes or discussion groups covered most major fields from social science to agriculture.

The complete survey, assembled under the title "Soldier Opinion About USO Clubs," was gathered through both questionnaires and interviews administered in 30 Army camps by the Research Branch of the Morale Services Division of the War Department, and clubs by the NORC. It was in this latter phase of the survey that soldier opinion of post-war prospects was obtained.

Mrs. John Palmer entertained her Sunday School class, the small children of the Methodist church with a picnic at Joe's Place Sunday.

Jury Unable To Agree In Murder Trial

Two Charged With Lambert Slaying

Unable to reach a verdict a jury in Rowan Circuit Court was discharged after debating the evidence in the trial of Daniel Foster and Lilburn Bowman, both of Morehead, charged with the slaying of Clayton Lambert.

Lambert was slain near the old spoke factory in West Morehead in the early hours of May 6. One of the most debated pieces of evidence was the ownership and position at the time of the shooting of a pistol allegedly on Lambert's person at the time. Circuit Court is expected to adjourn this week. Although the docket was light several cases have been heard.

Food Program Gets Started In Rowan County

The War Food Administration in cooperation with the Agricultural Extension Service is sponsoring a Food Conservation Program in Rowan County. Miss Ella Atkinson Food Conservation assistant, from Sharpsburg, Ky., is working with the Rowan County housewives to start five days of each week. Miss Atkinson is a canning expert and recently attended the Food Conservation Short Course held at the University of Kentucky.

Miss Atkinson is making a survey of farm women for next Tuesday, May 30, at the County Agents' office in the Courthouse at 1:30, to plan the conservation program in Rowan County. Women who desire information or assistance on their canning, storing, drying, and freezer lockers should contact Miss Atkinson or write word at the County Agents' office.

In memory of our dear father, Mr. Moses Sparkman, who passed away May 21, 1943:

One year, dearest father, since we said goodbye.

Sometimes I get to thinking, and after wonder why.

But God has a reason, and a good good one, I know.

To take you from us children, when we all needed you so.

We worked together side by side, and with your sweetest smile.

We tried our best to make all our lives worth while.

Sometimes the way seems so hard, I don't even want to try.

But I remember what you told us, now, children, please don't cry.

No words, my dearest father, could ever tell how much.

Really loved you, yes, loved you, oh, so well.

Some day I plan to meet you on Heaven's golden shore.

Where we will live together, and ever part no more.

Written by his daughters,
NORA AND MARIE.

"Interestingly," said Dr. Falls, "while the age distribution of soldiers attending USO clubs follows, in general, that of the Army as a whole, there is a slight tendency to attract a larger proportion of men under 25 and a smaller

er proportion of those over 30. Sixty-five per cent of those attending USO are under 25; in the sample of the Army at large the percentage is 60. In the over 30 group, the USO attendance percentage is 13 and the Army sample is 18.

MEMORIAL DAY, 1944—In our entire history this sacred day carries no more reverence and significance than this year. We pause on Memorial Day, 1944, not only to pay tribute to our loved departed ones but also to our fighting men and women in Europe, Guadalcanal, Burma, or wherever they may be that are battling to keep this day sacred to America.

JOE'S PAY CHECK: Say, you're blushing. What happened?

SUE'S PAY CHECK: I just got a peek at Harry's pay check—it's smaller than I saw! He's putting over 15% of his salary into War Bonds!

JOE'S PAY CHECK: Smart idea. But part of you goes into War Bonds, doesn't it?

SUE'S PAY CHECK: We-I-I... I hate to admit it, but I'm only a 7-percenter.

JOE'S PAY CHECK: That's terrible! Don't you know that you're missing the greatest chance in the world to make some money?

Think of 10 years from now!

SUE'S PAY CHECK: Don't rub it in. If I had more to say about it, I'd give myself a big Bond raise. Because how do I know I won't be just a blank piece of paper after the war—remembering the boom days of '44?

JOE'S PAY CHECK: You don't know—and neither do a lot of people who are getting pay checks like you. The wise ones are piling down their checks, getting ready for the future. And the next time I see you, I hope you're thinned down plenty—with all that extra weight on the War Bond side!

A Memorial Day Salute To Our Fighting Men

As we observe the third Memorial Day since the start of World War II, we proudly salute the fighting men from our own community who are doing their full share to free dictator enslaved people from hate, fear and intolerance.

From the heart of everyone will come a Memorial Day prayer that complete Victory will soon be ours . . . that our boys may return home at an early date . . . that those who have given their lives for world freedom may not have died in vain.

Guardian of a harbor . . .

Symbol of a

world-wide dream

As dawn approaches, a ship sails slowly into harbor. All is misty, all, except a shining figure rising like the sun itself above the grey. Like a sentry she guards "her" land; like a mother she protects the people who believe in her. On the ship's deck a silent figure gazes on the shining symbol that to him, to the United States and to the World represents a dream of freedom. As the ship slowly slides by, he knows why he is proud to be an American, proud to live in a land where justice and liberty reign, where the dream has actually come true.

Today Is

I am an American

DAY

On this "I am an American Day" we want to pay tribute not only to our sons and daughters, who are battling all over the World to preserve and protect us, but also to the strength of the quiet people.

To those Americans first who have given their sons—and daughters—gladly and freely to fight for the American ideal of freedom and justice for all.

To those Americans who have uncomplainingly accepted war time restrictions made by their own duly elected representatives and who courageously make the best of lowered incomes, who have gone without many of the things they felt necessary, that those who came after may live without fear.

To those Americans who have put into practice the American ideal of individualism—not the right of the individual to do as he pleases without regard to his neighbor, but the individualism which means discarding the old hate heritage of grouping all people by race, or creed or class or color, and instead treats them as individuals, judgable on their own merits.

To those Americans who have proven that neighborly cooperation is more effective than dictatorial regimentation—who have worked together in this neighborhood, this community, recognizing that they have one common job to do and that it is easier to do it together.

To those Americans who have backed the war effort by work and money—and above all by self-restraint, learning to keep still and by keeping still to foil the powerful dissensions propaganda of our enemies.

To those Americans, fit descendants of the pioneers, who have put aside their past comforts, to pioneer for the right, accepting handicaps cheerfully and rejoicing in the opportunity to serve, whose ideal was peace for all time, not merely "peace in our time."

To those Americans, to those Rowan Countians and Eastern Kentuckians, all honor is due. They have proven the might of the democratic way of life. They are the bulwark of the republic. Inconsciousness of work well done, they can proudly say, "I am an American."

Allie Jane Beauty Shoppe

Let's pause a moment in this busy world, on this Memorial Day of 1044, to offer a Prayer for the Safe Return of Our Husbands, Sons, Fathers, Brothers, and Sweethearts, and for Divine Blessing on all men and women of our Armed Forces wherever they are.

This war is not yet won. We at home have only begun to feel the weight of our debt to our fighting men—to the living—to the wounded—yes, above all, to the dead. Ours is the responsibility to work, to save, and "Fight By His Side" by buying War Bonds in the 5th WAR LOAN DRIVE — JUNE 12th to JULY 8th.

This shop will be closed Tuesday, May 30th, in observance of Decoration Day.

You Will Be Interested In This Report To The Customers of Kentucky Utilities Company

WE HAVE recently issued our regular annual report to stockholders. This report necessarily carries a lot of figures dealing with what we own and what we owe. But back of these cold figures is the story of 1,000 men and women employees who are rendering a vital war-time service. Handicapped with a shortage of materials and equipment, and often short-handed, they are working hard to maintain the high standard of service which is a tradition with our Company.

EMPLOYEES IN ARMED SERVICES

Our Company now has 174 employees in the armed services. Many of them are highly skilled and impossible to replace. The fine cooperation of the remaining employees, and their willingness to undertake additional responsibility and work, has enabled us to continue providing first class service to you in spite of the loss of this skilled manpower.

NO WAR PROFITS

Taxes paid by our Company in 1943 totaled \$2,369,968.32. This is nearly equal to the entire revenue we received from the sale of electricity to your homes. For every dollar of revenue from residential customers we pay 80 cents for the support of federal, state and local governments. If the soldiers take over the power industry for the government, this tax would have to be paid by you and others. We are glad that we can bear our fair share of the cost of the war. However, we do most strongly object to the immunity from taxes granted to government power projects which go scot-free of federal taxes, thus placing additional burdens on all other taxpayers—including you and us.

A LOCAL COMPANY WITH MORE THAN 1,000 EMPLOYEES

Our Company employs a total of more than 1,000 operating and construction workers. They received \$2,184,434.24 in salaries and wages from us during the year. More than 6,000 of the company's stockholders are residents of Kentucky.

ALL WAR NEEDS FOR SERVICE MET

In a year marked by the greatest industrial output in all history, there has been no shortage of electric power. Our Company has fulfilled every electrical requirement. No industry has had to wait for electric power, because long range planning by this Company has enabled us to meet all war and civilian needs despite many handicaps.

THE ELECTRICAL DOLLAR BUYS TWICE AS MUCH

Although living costs for the average family have steadily increased since 1941, the cost of electricity has gone steadily downward. In 1943, our rate reductions effected a saving of \$300,000 a year in the cost of service to you and other customers. Today the average home gets twice as much electricity as it got nine years ago for the same amount of money.

CUSTOMER SERVICE AND INFORMATION

To help you customers use electricity economically, and properly care for and maintain your electrical equipment, our Company employs a staff of trained Service Advisers. More than 2,880 pieces of equipment were repaired in your homes during 1943. Farm customers also have been aided in increasing food production during the man-power shortage.

WHAT OF THE FUTURE?

Our Company is keenly aware of its future responsibility to supply better service at lower costs. Our past record indicates this, for as the use of electricity increased the cost has been reduced. You can expect this trend to continue as you take advantage of the many new electrical services to be offered by the industry when the war ends.

We are planning to help in developing new and existing industries in the 432 communities now served. Our Farm Service Program has been stepped up to aid in developing rural areas. We aim to help the farmers improve production at less cost. Also, we are planning to provide employment for returning service men and women.

Thirty-one years ago when Kentucky Utilities Company was formed, its organizers little realized the tremendous part electricity would play in the life of industry and business, and especially in the home. As we look into the future, electricity takes on still greater importance in our daily life. After Victory Day the modern way of living will be the Electric Way. And we promise you to do our best to provide better service at a cost that will enable you to enjoy life to the fullest—the Electric Way.
